Turn right in the signalized intersection. Go straight for about 900m and you will reach CERTH campus.

*The service of the two bus lines (No. 66 and No.36) is sparse throughout the day. It is therefore advisable for you to visit the website of the Organization of Urban Transportation of Thessaloniki (www.oasth.gr), in order to get information on the exact timetables. The website includes route planner and real-time bus information in English.
